

# Summer Holiday Activities 2009

*Dear Parents, Carers and Pupils*

We've put together a list of some of the fantastic summer activities available locally and hope you manage to try a few. They range from sports activities to craft and drama activities and children's multi-activity weeks. Don't forget to keep an eye out for other information which might come through your schools and in the local press. We're always on the look out for things which might interest our families and pupils - do let us know if there's something we should be including! Again, in response to your requests, we've tried to include more for our older pupils, so check out the activities indicated with a  flash.

Wishing you a fabulous Summer holiday!
