SPRINGWATCH WILD DAY OUT
SHALFORD PARK, GUILDFORD. SUNDAY 6th JUNE 2010 AT 10AM – 4PM

The United Nations has declared 2010 to be the International Year of Biodiversity. It is a celebration of life on earth and of the value of biodiversity for all our lives. We need your help to work with the people of Surrey and take action to protect the variety of life on earth. To highlight this extraordinary year the BBC Breathing Places Campaign is supporting the **Surrey Springwatch Wild Day Out**. This exciting event is being organised in partnership between the Surrey Wildlife Trust and Guildford Borough Council.

This is the very first **Surrey Springwatch Wild Day Out** and we are hoping to attract over 10,000 people to this **free** event. Surrey Wildlife Trust is aiming to build on the great success of its Big Birthday Bash last year which many of you attended and the partnership with Guildford Borough Council guarantees an even bigger and better event. The Surrey Springwatch Wild Day Out will also be promoted on BBC Springwatch, BBC Surrey radio and local BBC TV.

We would love to welcome your group or organisation to the event and for you to provide a stall with hands on activities for both children and adults using the theme of biodiversity (type "biodiversity is life" into your search engine, or visit www.bbc.co.uk/breathingplaces/doingnothing for ideas). Your stall can either be placed within one of our marquees, or you can have an outside stall using your own gazebos/vehicles/displays.

To join us at our **Springwatch Wild Day Out**, fill in the application form below and return it with a copy of your **public liability insurance** and **completed risk assessment** by **Friday 12th March**.

We do hope that you can join us on the day to promote Surrey's wonderfully rich wildlife. If you have any queries, please contact Katy Gower at the Surrey Wildlife Trust on 01483 795 471 or katy.gower@surreywt.org.uk.
